nobbys 2 newcastle

ocean swims & beach relay

sunday 18 december 2011

This great new ocean swim and beach festival is about to take Newcastle and the Hunter by storm. With one of the most exciting and challenging courses on the Ocean Swims calendar, the main event is not for the faint hearted. Swimmers will swim from Nobbys Beach spit, out through the reef and around behind the Ocean Baths and back into Newcastle Beach. Just over 2km of open water swimming along some of the most scenic city coast line in Australia.
